Public Involvement, Notification, and Assessment

We have LEA official(s)/designee(s) in charge of wellness policy compliance.
 Name(s)/Title(s): Whitney Wall +

We complete an assessment of the local school wellness policy at least every three years (“triennial assessment”).

Triennial assessment results are made available to the public in an easily accessible manner.
 Website address and/or description of how to access copy:
 urbanacademypgh.org

At least every three years we use the results of the triennial assessment to update or modify the wellness policy as needed.

The LEA informs and updates the public about the contents, updates, and implementation of the wellness policy at least annually and the policy is accessible to the public.
 Website address for policy and/or description of how to access copy:
 urbanacademypgh.org

We retain records as required by federal regulations including:
 The written school wellness policy,
 Documentation of making the wellness policy publicly available,
 Documentation of outreach efforts inviting stakeholders to participate in the wellness committee / wellness policy process, and
 Copy of triennial assessment and documentation of reporting results to public.

The LEA utilizes a wellness committee that includes these community stakeholders in the development, implementation, review, and update of the wellness policy:
 Administrators Food service staff School health professionals
 Parents School board members PE teachers Students
 Public
 Other stakeholders (describe):

Notes on public involvement, notification, and assessment:

We are currently planning our next Wellness Committee meeting, to take place in Q1 of 2025. We advertise this meeting on our website and invite the public to participate. We will review/update our current policy and submit it to the BOD for review and approval.

Nutrition Education*

Nutrition education is provided within PDE’s sequential, comprehensive health education standards.

We teach, model, encourage, and support healthy eating through nutrition education.

Notes on goals for physical activity:

Physical Education (PE)

<input type="radio"/>	<input checked="" type="radio"/>	We implement a PE program consistent with state academic standards. All students participate in PE.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	PE instruction promotes skills and knowledge necessary for lifelong physical activity.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	PE classes provide the means for students to learn, practice, and be assessed on developmentally appropriate skills.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	Our curriculum promotes both team and individual activities.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	We offer a comprehensive PE course of study with planned instruction time for students to meet standards at the proficient level.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	We use a local assessment system to track student progress on state standards. Students are moderately to vigorously active as much time as possible during PE class. Accommodations are made in class for documented medical conditions and disabilities.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
<input checked="" type="radio"/>	<input type="radio"/>	We provide safe and adequate equipment, facilities, and resources for PE class.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	Certified health and PE teachers teach our classes.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	We provide professional development for PE staff.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
<input type="radio"/>	<input checked="" type="radio"/>	PE classes have a teacher-student ratio similar to other courses for safe and effective instruction.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
<input checked="" type="radio"/>	<input type="radio"/>	We do not use or withhold physical activity as a form of punishment in PE class.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
		Other goal (describe):			

Notes on goals for physical education:

We need to update our Wellness Policy to include more related to PE classes. This will be discussed at the next Wellness Committee meet

Notes on goals for other school-based activities:

We need to add more information into our Wellness Policy that reflects the above "no" answers.

Nutrition Guidelines for All Foods and Beverages at School

<input type="radio"/>	<input checked="" type="radio"/>	We consider promoting student health and reducing obesity when offering foods and beverages to students at school.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input checked="" type="radio"/>	<input type="radio"/>	Foods and beverages provided through the National School Lunch and School Breakfast Programs comply with federal meal standards.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
<input checked="" type="radio"/>	<input type="radio"/>	We offer healthy food and beverage options at school-sponsored events, such as dances and sporting events.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
<input checked="" type="radio"/>	<input type="radio"/>	Foods and beverages outside of the school meal, which are sold to students at school during the school day, meet or exceed the established federal competitive food standards (USDA Smart Snacks in School). Venues include vending, school stores, non-exempt fundraisers, and a la carte items.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

Notes on nutrition guidelines for foods and beverages at school:

*** At least one goal for these categories must be included in the written policy per federal regulations.**

Report on the progress made in attaining the goals of the wellness policy (REQUIRED):

Since the implementation of our updated Wellness Policy in December of 2021, Urban Academy has made meaningful progress in fostering a healthier environment for students. Key accomplishment include:

1. Public Involvement and Accessibility:

A triennial assessment was completed and results were made publicly available on our website.

Outreach efforts continue to encourage stakeholders participation in the Wellness Committee, with the next meeting planned for Q1 of 2025.

2. Nutrition Education and Promotion:

Nutrition education has been integrated into various grade levels and subjects.

We are researching local partnerships to promote participation in school meal programs.

3. Physical Activity and Education:

Opportunities for physical activity have been provided, including before- and after-school programs and recess.

We have maintained efforts to provide a supportive and safe physical environment that promotes physical activity.

4. School-Based Wellness:

Safe, clean drinking water is available and safe meal environments are ensured.

All nutrition staff complete professional development on an annual basis to align with federal and state standards.

5. Nutrition Standards Compliance:

School meals meet federal nutrition guidelines, and healthy options are promoted.

Progress continues to align fundraisers and other offerings with Smart Snack standards.

The upcoming Wellness Committee meeting in Q1 2025 will address gaps identified in this assessment.
